Suggestion Form

Instructions: Every year the City of Ashland Housing Authority (AHA) is provided funds to help keep all our buildings safe and healthy. The buildings included in this funding source are Bay Haven, Bay Terrace, Bay Tower and all Family Homes. The AHA knows that the people who live and work in our buildings see things that we may miss as staff, so YOUR IDEAS ARE HELPFUL in planning. Fill out the form below with as many details as possible and please make sure you put your name and contact information so we can reach you if we need more help understanding your ideas. Return it to the dropbox at the office, mail it OR email to cityaha@cityofashlandhousing.org
